If two make-up days are required, the student make-up days will be Monday, June 14, 2010, and Tuesday, June 15, 2010, and the teacher workday will be Wednesday, June 16, 2010.

Prior to the end of each school year, calculations will be done to determine if every school in the District meets Wisconsin Department of Public Instruction required number of student contact days, hours, and minutes. If every school meets the above DPI requirements, the snow (“act of God”) day(s) is/are forgiven. Otherwise, the snow (“act of God”) day(s) will not be forgiven. A thirty-minute student lunch period will be scheduled into the daily schedule. If, because of emergency school closings, additional make-up days are required beyond the two defined in the agreement to provide the 188 total paid contract days, they will be made up at a time as negotiated by the Board and the Association.

*Duties to be assigned will be other than classroom instruction.
