ACT Plus Writing scores can be used by students for college enrollment, scholarships and NCAA eligibility requirements. Scores can be reportable to up to four colleges of student's choice. These colleges must be self-identified on the ACT answer sheet. Scores will also be mailed directly to the home address indicated on the ACT answer sheet 4-6 weeks after testing.

ACT WorkKeys allows students to earn a National College Readiness Certificate (NCRC) that is recognized nationally by business and industry. Depending on level of scores, Bronze, Silver, Gold or Platinum Certificates may be awarded.
