

**Criteria for Admission into
LakeView Technology Academy
2016/2017 School Year**

After the criteria below are administered a general lottery will be held if necessary.

REGULAR EDUCATION STUDENTS-

Pre-engineering/manufacturing, computer science/mathematics, information technology Bachelor's Degree programs:

- B or better in middle school mathematics, science, and reading
- Advanced in 7th and 8th grade mathematics and reading MAPS or an equivalent exam
- No more than 3 tardies from September through January of the 8th grade year
- No more than 2 unexcused absences from September through January of the 8th grade year.
- No out of school suspensions or disciplinary office referrals during 8th grade.
- Meeting all of the above criteria constitutes acceptance pending space availability.

Technical College Associates Degree Programs:

- C or better in middle school mathematics, science, and reading
 - Good or Advanced in 7th and 8th grade mathematics and reading MAPS or an equivalent exam.
 - No more than 3 tardies from September through January of the 8th grade year
 - No more than 2 unexcused absences from September through January of the 8th grade year. *An exception may be made for documented medical absences.
 - No out of school suspensions during 8th grade
- Meeting all of the above criteria will be an automatic acceptance pending space availability.

In accepting students, preference will be given to students who have a sibling attending LakeView in the 2016/2017 school year. After that preference will be given to girls until LakeView reaches 35% females. Then after that preference will be given to students who meet the pre-engineering criteria. Then after that, preference will be given to students who meet the pre-engineering criteria. Students meeting the criteria for the Associate Degree program will then be taken. If the regular education and special education students exceed the number of available openings, a lottery will be held. There will be a separate lottery for the regular education student openings and the special education student openings.

SPECIAL EDUCATION STUDENTS-

- C or better in mathematics, science, and reading
 - Good or Advanced in reading and mathematics on the 6th and 7th grade MAPS or an equivalent exam.
 - No more than 5 tardies from September through January of the 8th grade year.
 - No more than 5 absences from September through January of the 8th grade year.
 - *An exception may be made for documented medical absences
 - No out of school suspension during 8th grade
 - All Special Education students whose current IEP can be met including goals, programs, and aid and services can be implemented in the all inclusive environment at LTA
- Meeting all the above criteria will be an automatic acceptance pending space availability.
